# Homes For All

Homelessness Week: Mon 7 – Sun 13 August 2023

## What is Homes for All?

This year for homelessness week we are working with schools, councils and local community groups to have discussions and raise awareness about people experiencing homelessness to create an understanding of the supports that exist, and improve understanding about Community Housing.

Centacare Evolve Housing is the largest Community Housing provider in Tasmania. We know the positive impact that having a home has on people's wellbeing and the community more broadly.

## Why Homes For All?

Centacare Evolve Housing's Homes For All campaign is an education campaign focused on;

- Challenging the stigma around community housing and those who access it
- Providing accurate information about community housing – what it is and what services we provide
- Listening to and openly discussing the impacts of housing in local areas
- Collaborating with locals and councils for community integration and wellbeing
- Advocating for inclusive housing policies and strategy with governments
